

PINTA SOLO-DUO PROJECT

APPLICATION DEADLINE – JUNE 30, 2017

DEAR EXHIBITOR:

Thank you for choosing to apply for the 2017 edition of PINTA Miami. For this edition of PINTA Miami, galleries can submit their proposals to different sections, each directed by a specific curator.

[PP] PINTA SOLO-DUO Project: *Errant Geographies - Curated by Dan Cameron and Jesus Fuenmayor*

Dan Cameron and Jesus Fuenmayor will curate the 2017 Pinta Projects edition. They are proposing a dialogue between Latino and Latin American artists. It is a question of confronting the truths and fictions that exist in the widespread use of these geopolitical categories with the work of artists, regardless of their place of residence, generational belonging, gender or nationality.

What the curators are expecting is that the artists' works show their different ways of dealing with their contexts and their cultural backgrounds. In this way they will bring a discussion about the pertinence or not of the application of these categories to differentiate their works.

We look forward to reviewing your proposal.

The **PINTA Miami 2017** Team
